## **Highvista Gold Inc. Commences Change of Business Process and Announces Resignation of Board Members**

**Toronto, Ontario – June 9<sup>th</sup>, 2015, Highvista Gold Inc. (“Highvista” or the “Company”)** (TSX-V: HVV) announces that the Company’s Board of Directors (the “Board of Directors”) have authorized management to proceed with a change of business to an investment corporation which can undertake both mining and non-mining investments. No acquisitions or mergers are being contemplated at this time. The business plan is currently being developed and will be announced when finalized in the near future. As a result, Highvista has requested a halt of trading of its common shares on the TSX Venture Exchange.

In support of the Company’s new initiatives Tina Woodside and Ralph Fitch have resigned effective Friday June 5<sup>th</sup> as members of the Board of Directors. The Board of Directors and the Company would like to thank Mrs. Woodside and Mr. Fitch for their expertise, experience and professionalism in the development of the Company.

Highvista shall appoint two new independent directors to fill the vacancies shortly.

The Joint Venture between Highvista and AuRico Gold Inc. previously announced on June 28, 2013 remains in effect.

The corporation intends on proceeding with a private placement to cover ongoing mining, change of business and mining investment company expenses.

A press release setting forth the details of the proposed change of business, will be forthcoming when the Company’s plans are finalized.

### **About Highvista**

Highvista owns 100% of a Mexican subsidiary that controls the 24,055 hectare Canasta Dorada Gold Project. This project is located in the Sonoran Gold Belt immediately adjacent to AuRico Gold's El Chanate Mine (“Aurico”). In June 2013, the Company entered into an option and joint venture agreement with Aurico over the El Chanate Extension comprising approximately 30% of the Company’s Canasta Dorada gold project. The agreement grants Aurico the option to earn a 51% undivided interest in the El Chanate Extension currently owned by the Company by incurring an aggregate of \$3 million in exploration expenditures on the property over the three year period ending June 2016. Details of Highvista's Canasta Dorada Project can be viewed at the Company's website at [www.highvistagold.com](http://www.highvistagold.com).
